

Facebook is a great way for parents, staff and Junior Lifeguards to get involved and stay connected. We will post about various events, reminders, and pictures of your children having fun and learning throughout the summer. All settings on the Facebook page are private and all “friends” must be personally approved by the Administrator.

Please complete the permission slip at the bottom of this sheet and return it with the rest of your paperwork by the due date. Please mark whether or not you give us permission to post your child’s picture on our Facebook page. We will not post the names or personal information of any children in the pictures. We will not post any child’s picture without the written consent from the parents. You can still be a part of our page without your child’s picture being posted.

If you are interested in being part of our page, log onto your Facebook account and search “Long Beach NY Jr Lifeguards” then send us a friend request. Your friend request will only be approved once you have been confirmed by a staff member.
